UPDATE/REMINDER RE: HRC Cancellation Policy

Please be reminded that all new patients to HRC sign a form regarding our missed appointment/late cancellation policy. As a reminder, there will be a charge for any missed appointment or any appointment canceled less than 24 hours in advance. This charge is not reimbursable by insurance.

Missed appointment fees are \$155 for a 25 minute appointment and \$175 for a 50 minute appointment.

I _____ have read this reminder regarding this policy and am aware that I will be charged for any missed or late appointments.
